

# GARIA COURTESY

The Garia Courtesy is multi-functional, electric, and very quiet vehicle designed and produced in Denmark.

It's the ideal vehicle to transport you, and your guests.

Available in 6 seater or 4 seater versions (all 4 are forward-facing).

All of our vehicles are environmentally conscious, and have zero CO2 emissions.

### THE GARIA COURTESY

*The perfect transportation for lager groups, as it can move up to 6 occupants.*
